

**SVKM's NMIMS (Deemed to be University)  
Mukesh Patel School of Technology Management & Engineering**

**Ph.D. Engineering and Technology Management (Full time and Part time) - (Batch-2024)**

**Instruction Sheet**

**1. Introduction:**

The MPSTME PhD program has been designed with the objective of strengthening and supporting research culture among research scholars. They are encouraged to develop adequate depth in the subject area. Emphasis is laid on interdisciplinary research. Research Scholars are encouraged to pursue interdisciplinary research and propose and develop solutions to real life issues. The institute supports students in gaining knowledge and developing the right attitude and skills to do world class research.

Experienced, dedicated supervisors with a wide range of research skills assist in achieving the above goals. Needless to mention that MPSTME Supervisors and Research Scholars have published papers in reputed journals with high impact factor.

Progress of the work done by research scholars monitored by leading academicians and experts from the industries. Frequent monitoring of progress in research work and participation in quality publications ensures regular, timely and quality research.

Institute has MoUs with various Hospitals and Research centers. Additionally, research scholars get options to choose collaborative research. State of the art AI lab with high end Processors with GPUs are available to encourage research in latest cutting technology.

The emphases have been given to latest development in industry wherein expertise is required. The steps have been taken to further strengthen the present system in the country while framing the syllabus of course work.

**2. Duration of the Programme:** Minimum 03 years including course work & maximum 06 years

Admission for PhD program through Entrance Test and Personal Interview conducted by NMIMS.

#### 4. Eligibility:

The basic qualification criteria for the purpose of admission to Ph. D. Programme shall be as under:

a) **Ph.D. (Engineering):**

Candidates for admission to the Programme shall have a Master's degree (M.E. / M.Tech.) / (M.Phil / M.Sc. for Applied Physics, Applied Mathematics). Minimum 2 years Programme or a professional degree declared equivalent to the Master's degree by the corresponding statutory regulatory body, with at least 55% marks in aggregate or its equivalent grade 'B' in the UGC 7-point scale (or an equivalent grade in a point scale wherever grading system is followed) or an equivalent degree from a foreign educational Institution accredited by an Assessment and Accreditation Agency which is approved, recognized or authorized by an authority, established or incorporated under a law in its home country or any other statutory authority in that country for the purpose of assessing, accrediting or assuring quality and standards of educational institutions.

b) **Ph.D. (Technology Management):**

Candidates for admission to the Programme shall have a Master's degree M.E./ M.Tech. / (MBA with B.E. / B.Tech.) (Minimum 2 years Program) / M.C.A. or a professional degree declared equivalent to the Master's degree by the corresponding statutory regulatory body, with at least 55% marks in aggregate or its equivalent grade 'B' in the UGC 7-point scale (or an equivalent grade in a point scale wherever grading system is followed) or an equivalent degree from a foreign educational Institution accredited by an Assessment and Accreditation Agency which is approved, recognized or authorized by an authority, established or incorporated under a law in its home country or any other statutory authority in that country for the purpose of assessing, accrediting or assuring quality and standards of educational institutions.

c) Candidates working in reputed Research Organizations or Academic Institutions, situated in the close vicinity of Mumbai, Shirpur or Hyderabad campuses are eligible for admission to the Ph.D. programme if they satisfy the conditions mentioned below-

- Candidates working in an organization, which encourages and facilitates research.
- The Academic Institution should have at least one running PG programme in any specialization.
- Candidates should have a minimum of two years of work experience (full time) in research organization, academic institutions or Industry.
- Candidates should furnish a 'Consent and No Objection Certificate' from his / her Academic Institution and 'MOU' in case of industry or research organization.

**Note:**

- Candidates appearing or waiting for the final year result are eligible to apply.

The candidate must have appeared for all his subject(s) / exams before the commencement of the program. However, their admission would be considered provisional, subject to their meeting the minimum eligibility criteria after their final examination results are announced.

- Candidates whose final mark sheet of the qualified examination is not available at the time of their provisional admission, is required to submit their final marksheet copy as soon as the result is declared. In such case, if the candidate fails to meet the required eligibility criteria, then his/her admission will be cancelled and the fees will be refunded as per NMIMS refund rules.
- Candidates are required to submit mark sheets of all degrees, degree certificates and AIU certificate (by the candidate who has completed their studies at foreign country) at the time of admission.
- Candidates who have obtained their degree by doing a part-time course or through distance learning, correspondence courses, externally, open school from recognized University are eligible to apply and register as per UGC guidelines.
- All admitted students will have to complete Ph. D. course work as prescribed by the SVKM's NMIMS (Deemed to be University). On successful completion of Ph.D. course work student will be eligible for registration for Ph.D. programme.

## 6. Online registration & Payment of Registration Fees:

- Online registration available at [www.nmims.edu](http://www.nmims.edu)
- Registration fees is non-refundable / non-transferable.
- Online Registration Fee of Rs. 2,500/- plus GST if applicable (Please refer online registration for payment details)
- Before filling the online registration form, please read all the instructions carefully mentioned in instruction sheet, important dates and Terms & Conditions given in online application form.

## 7. Selection Process: Entrance Test & personal interview

a) **Entrance Test:** (100 marks, 90 minutes), will be conducted at Mumbai campus only.

**Section A:** 50% Research methodology

**Section B:** 50% Area / Domain Specific

The candidate must have qualified written test with qualifying marks as 50% conducted by the SVKM's NMIMS Deemed to be University. Only entrance test qualified candidate will be called for Personal Interview.

**Note:** Candidates those who have qualified (with valid period & valid score) in NET / SET / GATE / GPAT / JRF examination of the apex bodies in higher / technical professional education such as UGC, CSIR, ICMR or other equivalent examinations mentioned on the score card, such candidates are exempted from NMIMS entrance test. However, they have to appear for Personal Interview.

b) **Personal Interview:**

- Presentation based on Statement of Purpose will be followed by Personal Interview.
- During interviews, candidates are expected to discuss their research interest/area.
- Final merit list will be based on entrance test & personal interview marks.

c) **Weightage**

- Entrance Test : 100 marks (70%)
- Personal Interview : 50 marks (30%)

## 8. Program Fees:

Effective fees for all Ph.D. students will be Rs. 50,000/- p.a.

Annual fees: Rs. 2,50,000/-

Annual Scholarship: Rs. 2,00,000/-

Scholarship form is available on website- <https://engineering.nmims.edu/academics/programmes/phd/>

The duly filled scholarship form (hardcopy) should be submitted at following address along with the copy of registration form, copy of SOP, complete resume, admission form and the admission offer letter copy (which is available on student's dashboard):

Mukesh Patel School of Technology Management & Engineering  
V. L. Mehta Road, Opp Cooper Hospital, Vile Parle (W), Mumbai – 400 056, India.

**Note:**

- Scholarship will be provided for up to 05 years or completion of PhD program, whichever is earlier.
- If student is found indulging in any unlawful activity, the scholarship will stand cancelled with immediate effect.
- PhD student will not be entitled to avail the scholarship if he/she re-registers for PhD or take re-admission for the PhD program.
