

Best of CHI2021

CHI 2021 (<https://chi2021.acm.org>) was held online in the second week of May. More than 700 papers were presented, not including panels, demos, workshops, courses and other tracks.

For Best of CHI2021, we have invited authors of 20 papers from CHI2021 for a live presentation followed by Q&A. Picking 20 out of hundreds of papers is tough, we have tried to bring a 'slice of CHI2021' to the Best of CHI2021 event.

Please join us for four exciting sessions in June 2021. Best of CHI2021 will run on two Saturdays and in four sessions.
