Although offline sessions could not be organized, the SPDC center conducted online sessions for the students by inviting resource persons from India and abroad. The sessions were useful especially for final year students as they provided training by industry experts on group discussions and personal interviews.

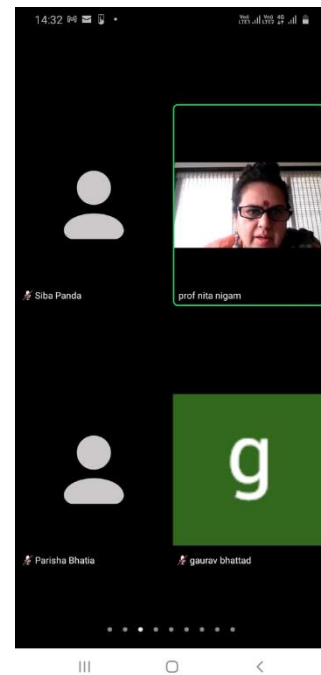

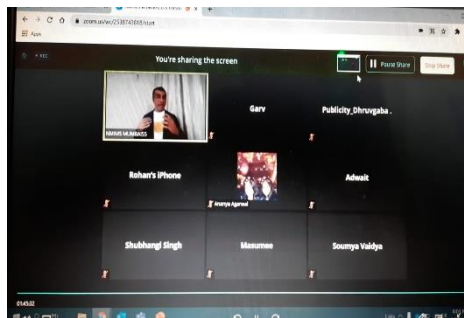

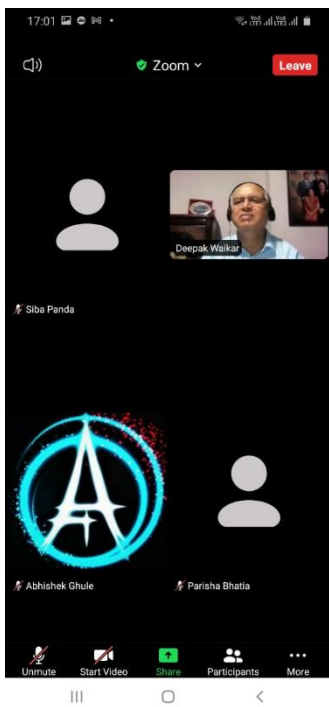

Figure 3: Screenshots taken during live sessions by (a) Dr. Deepak Waikar, CEO, EduEnergy Singapore (b) Mr. Anand Singhai (Head- South Asia Orange Business Solutions) (c) Mrs. Neeta Nigam, HR Consultant.

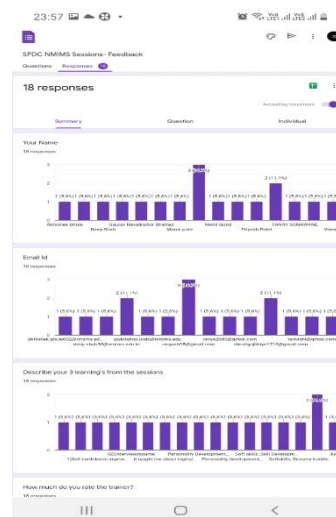

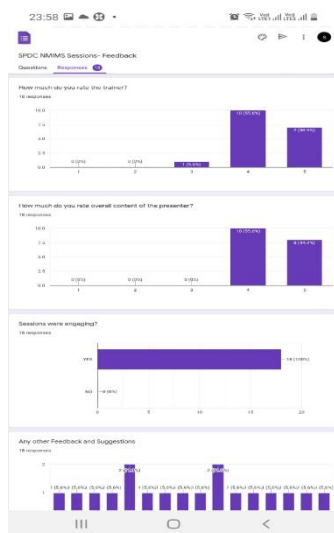

Figure 5: Feedback of online sessions conducted in year 2020-21.

The response to the workshops was positive. For the current year, additional such workshops are being planned to improve training and personality of our socially disadvantaged students.
